Laboratory course

Course: _____

Semester: _____

Instructor: _____

Professor: _____

Your program: _____

Your year: _____

1. General

1.1. I learned a lot in this course

very much 1 2 3 4 5 not at all

1.2. My enthusiasm for and interest in this subject have been stimulated

very much 1 2 3 4 5 not at all

2. Laboratory

2.1. The scope of the laboratory is appropriate

very much 1 2 3 4 5 not at all

2.2. The volume of the material covered was:

too little 1 2 3 4 5 too much

2.3. The laboratory notes were good

very much 1 2 3 4 5 not at all

2.4. The introduction to new topics was adequate

very much 1 2 3 4 5 not at all

2.5. The laboratory was well organized

very much 1 2 3 4 5 not at all

2.6. The relevance of this lab for Microsystems Engineering was clear

very much 1 2 3 4 5 not at all

3. Instructor

3.1. The instructor was well prepared

very much 1 2 3 4 5 not at all

3.2. The instructor explained the topics well

very much 1 2 3 4 5 not at all

- 3.3. The instructor's English was good
very much 1 2 3 4 5 not at all
- 3.4. The instructor happily answered questions in detail
very much 1 2 3 4 5 not at all
